

The manual of JAQUAS

Cookware (Undiluted~5times)

Spray on dirty area directly. JAQUAS float up dirt so washing gets easier.

Sharpen knife with JAQUAS, the sharpness improves and prevent rust.

Spray JAQUAS on chopping board and leave it for a few minutes, then it is sanitized and deodorized.

Dish (Undiluted~5times)

After washing dishes (glass, metal & ceramic, etc.) with sponge containing JAQUAS, just rinse with water.

Because it has no foam, it can largely save rinsing water. It is good for the dishes that should not have detergent smell like coffee cups, Even if you use detergent, you can save detergent volume by spraying JAQUAS just before washing.

Cloth (5times~5times)

Put clothes into diluted JAQUAS for a few minutes, wring well. It is good for cleaning, deodorizing and sanitizing.

Vegetable/ fruit (100times)

Wash with diluted JAQUAS and rinse with tap water.

Electric appliance (Undiluted~5times)

(Caution: Please do not use on the part which can short with water like energized part)

A microwave oven:

Spray JAQUAS on a door, a body, touch panel, inside and a turntable, and wipe floated dirt. (As for heavy dirt, spray undiluted JAQUAS on it and leave it for 2~3mins before wiping)

As for dirt stuck on body, warm cloth with JAQUAS by microwave oven (40~50°C), put it on the dirt for few minutes and wipe.

A coffee maker:

As for a holder and a jug, spray JAQUAS directly or wash with sponge containing JAQUAS, and rinse with tap water.

As for a body, spray JAQUAS directly and wipe off floated dirt with a dried cloth, or wipe off dirt with paper towel or cloth containing JAQUAS. JAQUAS does not spoil coffee smell due to no detergent smell.

A refrigerator:

Spray JAQUAS on a door, a body and inside, and wipe dirt. It is good for sanitizing and deodorizing inside. (JAQUAS can be on food) Spray on a bucket tray, too.

A rice cooker and a hot water dispenser:

Spray JAQUAS directly and wipe off floated dirt with a dried cloth, or wipe off dirt with paper towel or cloth containing JAQUAS.

A built-in kitchen:
